

What are our children being asked to do online when in school?

When in school, our children will have access to various apps and websites to support with their learning. These apps and websites will differ depending on their year group. Our children are supported with their understanding of staying safe online through an online safety curriculum taught throughout the year and by agreeing to an acceptable use agreement at the start of every year. We have comprehensive Senso filtering in place across all devices, which blocks harmful and inappropriate content. As well as this, we also monitor all of our children's activity on all devices through human-moderated technology, which alerts in real-time if any risk is detected.

Below are the apps and websites your child may access throughout their time at our school. Your child may access other websites and apps from time to time, but these will always follow our online safety guidelines.

More information about how we keep our children safe online can be found in the Online Safety for Parents section of our website.

At the start of each academic year, this document will be updated with any new apps or websites. This will then be uploaded to the online safety section of our website and sent out to parents and carers.

Nursery

Apps:

- ABC Animals
- Meet the Numberblocks
- Meet the Alphablocks
- Cbeebies
- Hairy Letters
- HairyPhonics
- White Rose Maths
- Beebot
- Sparkle paint

Reception

Websites:

- Topmarks
- Phonicsbloom

Apps:

- ABC Animals
- Meet the Numberblocks
- Meet the Alphablocks
- Cbeebies Apps
- Hairy Letters

- Hairy Phonics
- White Rose Maths
- Beebot
- Sparkle Paint

Year 1

Websites:

- Topmarks
- Phonics Play
- Phonics Bloom

Apps:

- Lexia
- Cbeebies Stories
- Numberblocks
- Alphablocks
- Toon Tastic
- Teach Monster Phonics
- Scratch Junior
- Greenscreen Do Ink
- Book Creator
- White Rose Maths

Year 2

Websites:

- Phonics Play
- Phonics Bloom
- Topmarks
- Globle

Apps:

- Scratch Junior
- Lexia
- Times Table Rockstars
- Doodle Maths

Year 3

Websites:

- Scratch
- Internet Legends
- Google Search
- Wickeditor.com
- J2e.com

- BBC Bitesize
- Topmarks
- Globle

Apps:

- Timetable Rockstars
- Doodle Maths
- Lexia
- Green Screen Do ink
- Stop Motion
- Book Creator
- Google Earth

Year 4

Websites:

- Globle
- Scratch
- Logo
- BBC Bitesize
- DfE MTC
- URBrainy – MTC Only
- Google Search

Apps:

- Times Tables Rockstars
- Doodle Maths
- Lexia
