Packed lunches

Lunchtime staff have noted that some pupils are bringing in packed lunches containing a lot of sugary items, with very low nutrition. Too much sweet, high-fat, processed food is not suitable for a school lunch, because it badly affects mood and concentration. It also has longer-term impacts on teeth, fitness and general health. Please see the attached sheets for details.

Newcastle City Council has yet again made the decision to continue funding food vouchers over the Easter Holidays, for those children eligible for free school meals. You will receive £15.00 per week per child and these will be issued on Thursday 2nd April via email.

Reminder to bring your raffle tickets back to school (£1.00 per strip) by Friday 27th March. We would be grateful for any donations of Easter Eggs for the raffle and would like to thank you for your continued support of the school. The fundraising that we do helps us to provide additional resources and activities for your children.
