

# Waverley Primary

## Weekly Bulletin

**Whole School Attendance for the week:94.5%**

### Important Information

This week Ofsted paid a 2-day visit to Waverley and I would like to use this section of the bulletin to say thank you. Thank you to my amazing and dedicated team of staff where it was business as usual, we are used to many visitors in and out of school and lessons. Thank you to the children who shared with inspectors how much they love their school. They talked about their learning and curriculum opportunities along side their love of books and reading! How fabulous. I would like to thank our Governors who are volunteers who I am held accountable to, who know this school well and were interviewed by inspectors about Waverley and our work. Finally, the ONE Academy CEO Julie Stuart who was a constant support in this intensive experience along side the other ONE heads and headteachers in Newcastle. I love working in this job and in this city. Whilst we cannot share any outcomes until the published report which should be available before we break up for Summer, I shall definitely enjoy a rest at May half term. We have so many exciting things to come for the children next half term so the dates for your diary is going to be very busy. Stay safe everyone.

### Dates for your diary!
